

“Labor recovery from the pandemic and developments in the European Capitals”

20th CONFERENCE - ONLINE, 23 and 24 February 2021

1st Workshop

Topic: Situation and consequences for workers in European capital cities and regions

- Thinking about the situation created in your capital cities due to pandemic, which are the most critical problems?
- How the pandemic affected labour rights, employment, social dialogue and collective bargaining?
- How is tackled the impact on labour income, the widespread impoverishment and the deepening of inequalities?
- What is the impact on precarious workers, Gig economy and self-employed?
- How Unions responded to the accelerated digitalisation and teleworking regarding labour rights, EU Directive and labour code implementation, working conditions, the right to disconnect etc?
- What is the impact on Public services: health, transport, distribution and supply, cleaning etc?
- How Unions are dealing with all these challenges?
